

Distribution Plan For Each Piece Of Content

Article To Website

Anything that you create always goes to you first!

Linked In

LinkedIn has great SEO. Do a copy/paste as an article there.

First Week

Week Two & Beyond

Social Media

Push a summary, image, and link to your channels and Google Business.

Video

If you have a video, a week after you put it on your site take it to YouTube & Socials.

Recycle Socials

Recycling your summaries to social and Google Business long term.
