Managing Google Business Listings

Managing Reviews is done from two distinct places on a Google Business Listing

- Clicking on "Read Reviews" will open a window shown below. The popup will allow you to respond to reviews.
- Clicking on "Get More Reviews" will open a window shown below. This popup will allow you to solicit reviews.
- Leverage these easy access points to improve your reviews and engage with customers easily.

Soliciting Reviews

You can either send the review link in your own email, text message, or other medium.

Or you can leverage their built in buttons to send directly through Google Business.

Insurance For Texans Group
33 Main St #160, Colleyville, TX

4.9 ★★★★★ 35 reviews

Ron Wadley was able to give me great rates and coverage. I recently had a roofing claim and the whole process went smooth and I got my claim check fast. I highly recommend Insurance For Texans for all your insurance needs.

Responding To Reviews

Be sure and respond to reviews. They make it wicked easy to identify which customers have and have not been responded to. Liking is always a plus.
